

Declaration of consent for photo, audio and video recordings

I declare my consent to the publishing of the made photo, audio and video recordings (also close-ups) of my project, myself or of my child within the framework of presentations of 3ALOG - interreligiöse, interkulturelle Begegnung e.V., the homepage “www.3alog.net” and the inherent links to photo and video pages, as well as on social media channels. Responsibility for 3ALOG - interreligiöse, interkulturelle Begegnung e.V. is taken by Florian Binsch, Winfried Kitzmann and Florian Volm.

I declare my consent, that the made photo, audio and video recordings (also close-ups) will be used for further and future purposes, as the preparation of print media and electronic media (e.g. advertising material, reportage, guides, presentations, posters, slides, web pages).

I declare my consent, that the made photo, audio and video recordings (also close-ups) will be passed on to external third parties with regards to the interests of 3ALOG - interreligiöse, interkulturelle Begegnung e.V.. This also applies to the passing on to journalists and editorial departments.

I declare my consent, that the made photo, audio and video recordings (also close-ups) are saved electronically at central place.

The declaration of consent applies from the date of signature. The agreement applies unlimited in time, as far as it is not revoked. A general extinction of the published photo, audio and video recordings from the internet cannot be guaranteed, as e.g. the material may have been grabbed by search engines, or other internet pages may have copied the material.
